401(K)/IRA BUSINESS FUNDING

RETIREMENT PLAN BUSINESS FUNDING

Fund your business using your retirement funds tax-deferred and penalty-free.

Your 401(k), IRA or other qualified retirement account can be the key to starting your business debt-free and cash-rich. Our plan allows you to utilize the full potential of your existing retirement accounts to fund your own business, thereby enabling you to eliminate or reduce the need for additional loans.

We have been at the forefront of developing 401(k)/IRA business funding without penalty. Whatever the solution is, you can be confident we will get you the funding you need - quickly, safely, and economically.

SOME OF THE PLANS THAT QUALIFY

- ✓ We will establish a corporation for you, with its own customized retirement plan.
- ✓ You then roll over your current retirement plan funds into your new corporation's customized retirement plan.
- ✓ Your new retirement plan purchases stock in your new corporation.
- ✓ Your new corporation now has the capital to start, purchase, or recapitalize a business or franchise.
