EHMP Program Road Map

Employee Health Management Plan (EHMP) — a program that helps employers save money on FICA taxes while providing employees with additional benefits — and it pays for itself.

Step 1. Introduction

- Agent introduces the program to the client, showing the 1-3 min intro video
- If the client shows interest, then show the 5-7 min full video with more details (which mentions the SEA AI assistant at the end)
- Agent shares SEA (the AI assistant) with the client for additional questions. *Agent MUST ensure the client watches videos first before using SEA

Step 2. Collect Information

- Agent assists the client fills out the “Workplace Wellness” scenario form from the website
- Agent sends the census to the Client’s payroll specialist to be filled out
- Client will receive a secure portal link to upload: W4, and last two payroll Journals

Step 3. Proposal & Contract

- Proposal will provide potential tax savings for the employer
- Proposal will provide individual wellness monthly allotment amounts
- Set up a review call for the employer
- Our specialists will meet with the employer to go over the proposal
- The employer signs the contract

Step 4. Enrollment

- Our specialists will have a Zoom meeting with all employees to introduce the program
- Enrollment date setup
- Employees schedule enrollment time to sign up

Step 5. Plan Administration
